Arrested and extradiated to be tried in Austria. Well, unless the Archduke was an American citizen, in which case it's probably execution by hanging

Lynching a rapist who the court did not find guilty?

A fine of up to 20% of monthly income for at least 3 months. If there were any fatalities from your brief crime spree, it would be charged as full murder, not just as manslaughter.

A fittingly violent execution.

(Somehow) robbing the central bank of (BN) and/or breaking into various gov't buildings and looting them of precious documents and stashed away funds (if any) with intent to disrupt the system or even stall any ongoing processes, including high-level court cases and investigations that are (or were) ongoing.
