Neck of the Woods-The Pit

All of my favorite songs are on the first half of this album too but the 2nd half is still good.

[Nas & Damian Marley - Strong Will Continue](#)

When the Armageddon's dark and dread

A lot of weak hearted weep and moan

Only the strong will continue

Do you have it in you?

Come, we've got a journey to go

God I love this album.

Trying to figure out if I should call this Radiohead album Alternative Rock or Experimental Rock...Kinda has a lot of mixtures so I think I will go with Experimental Rock over Alternative Rock like I was originally going to do.

Radiohead-Optimistic

This one is definitely more under an alternative rock realm, though.
