don't want to admit it, but... Drew Dumil...

Sorry, but with 4 posts there isn't much to take out of context. Still, admitting to Drew Dumil is something that takes guts.

HATING AN THE FLAG WILL RESULT IN A /STILLME

Jesus Christ. Getting offended over other people's opinions on a (terribly-made) virtual picture of a hypothetical flag pasted on some random online profile you made on a twenty-year-old game is *not* a good look. ☐

BN: I know I'm quoting their sig, but as the first page of the thread says, I'm allowed to quote anything as long as they made it. Technicalities galore...

Case in point. It's almost as if you don't have a proper rebuttal and can only hope to inflict emotional damage with insults.
