A temporary military dictatorship set up to save democracy, but the moderate leader of the coup plotters is increasingly sidelined and then killed by a clique of hardliners and any sense of a peaceful transition into civilian are scrapped with the junta clinging to power for long as humanly possible.

Actually Saudi Arabia.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.
