CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Y&V - Lune.

Reminds me of the music used in the YouTube channel PreFXDesigns for his Minecraft stadium builds, starting in 2015. Speaking of, I want to play some Minecraft and finish my two stadiums (<https://www.planetminecraft.com/member/thefifthhour/>, both located in Sulivannia) as soon as possible now that I have more time, but am still recovering from the stress of my second year. *I shall move on...*

Also...

Eden Prince & Clementine Douglas - Greenlight, which reminds me of May 2021.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
