Portishead is amazing. In fact..

Portishead - *It Could Be Sweet*

Dummy is easily one of my favorite albums of any artist or group.

I will try Portishead, but I expect disappointment.

Not bad, I just wish there were less clean vocals.

Death - *The Flesh and the Power it Holds*

My favorite metal song from any sub-genre. This one has some tight emotional ties to me, and I love listening to it.

Waylon Jennings - Are You Sure Hank Done It This Way

The dead swans lay in the stagnant pool.
They lay. They rotted. They turned
Around occasionally.
Bits of flesh dropped off them from
Time to time.
And sank into the pool's mire.
They also smelt a great deal.
