[This](#) song for Max Payne 3, that sounds rather bad ass in my opinion. It's by the band Health, but doesn't really exist outside that trailer yet, because they are making the soundtrack, and that songs probably for the soundtrack. I don't mind the singing, but my favorite part is it musically.

Red Sparowes-And by our own hand did every last bird lie silent in their puddles, the air barren of song as the clouds drifted away. For killing their greatest enemy, the locusts noisily thanked us and turned their jaws towards our crops, swallowing our greed whole.

Holy shit long song name.
