*And what's it for
This little empty garden by the brownstone door
And in the cracks along the sidewalk nothing grows no more
Who lived here
He must have been a gardener that cared a lot
Who weeded out the tears and grew a good crop
And we are so amazed we're crippled and we're dazed
A gardener like that one no one can replace*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Eminem - Rap God
From *The Marshall Mathers LP 2* (2013)

*Look, I was gonna go easy on you not to hurt your feelings
But I'm only going to get this one chance
(Six minutes, six minutes)
Something's wrong, I can feel it
(Six minutes, six minutes, Slim Shady, you're on)
Just a feeling I've got
Like something's about to happen
But I don't know what
If that means, what I think it means, we're in trouble
Big trouble. And if he is as bananas as you say
I'm not taking any chances
You were just what the doctor ordered*

Eminem - Stan
From *The Marshall Mathers LP* (2000)

*I hope you get to read this letter, I just hope it reaches you in time
Before you hurt yourself, I think that you'll be doing just fine
If you relax a little, I'm glad I inspire you but Stan
Why are you so mad? Try to understand, that I do want you as a fan
I just don't want you to do some crazy shit
I seen this one shit on the news a couple weeks ago that made me sick
Some dude was drunk and drove his car over a bridge
And had his girlfriend in the trunk, and she was pregnant with his kid
And in the car they found a tape, but they didn't say who it was to
Come to think about it, his name was... it was you
Damn*

Eminem - Lose Yourself

From *Music from and Inspired by the Motion Picture 8 Mile* (2002)

*You better lose yourself in the music, the moment
You own it, you better never let it go (go)
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime yo
You better lose yourself in the music, the moment
You own it, you better never let it go (go)
You only get one shot, do not miss your chance to blow

Sing for the laughter, sing for the tear
Sing with me just for today
Maybe tomorrow, the good lord will take you away*

Aerosmith - I Don't Want to Miss a Thing
From *Armageddon: The Album* (1998)

*I could spend my life in this sweet surrender
I could stay lost in this moment forever
Well, every moment spent with you
Is a moment I treasure*

*I don't wanna close my eyes
I don't wanna fall asleep
'Cause I'd miss you, baby
And I don't wanna miss a thing*

*'Cause even when I dream of you
The sweetest dream will never do
I'd still miss you, baby
And I don't wanna miss a thing*

Candlemass - At the Gallows End

*With sad emotions, I sing this epitaph
my swansong, my headstone, the farewell of my heart
The hills of Tyburn, up where the gallows stand
only the vultures will come to see me hang*

*Behold the sight of my Golgatha
the gallows enlightened by the moon
proud of his art are the carpenter
his creation a tool for my doom*
