One of their best.

Well, you used 'their' correctly, so you're ahead of the average native English speaker. However, I couldn't help but notice that you made a mistake in your signature. Instead of 'Instead of telling that', it should be 'instead of saying that'. Or just 'instead of saying'. Or 'instead of telling me' or 'instead of telling me that'. But not what you have. Because the English language is downright stupid at times.

Sorry, can't help it, too many years of proof-reading.

Oh yeah, right. Forgot what I was here for.
