~~Absolutist Crusader state descended from French Crusaders.~~

/ninja'd

Some kind of bird-worshiping theocracy?

Last edited by **Upper Nan** on Wed Apr 20, 2022 3:34 pm, edited 1 time in total.

The Dominion of Upper Nan: a technologically-advanced technocratic,

national-syndicalist state where the people are mostly left to their own devices and given generous benefits so long as they obey the (numerous) laws and don't get any clever ideas about challenging the State's authority or bringing back democracy.

Largely inspired by *Judge Dredd*, Plato's *Republic*, and the political philosophies of Juan Perón and (to a lesser extent) António de Oliveira Salazar.
