Definitely a semi-well known regular on F7, known for their quite grounded responses.

Seen him a lot in F7 and the TSP Regional Message Board, though I've also seen him in several other subforums, though if I remember, he didn't post in certain subforums. Either way, I would say that he's a warm and friendly fellow.

They're probably quite well known in F7, but I'm surprised with how long they've been a nation they only have 13 'actual' posts in total, so I'm guessing they're probably barely known if at all elsewhere. Not that people wouldn't like to know them, they seem nice.

Unfortunately, it takes time for the Forums to actually put 13 when really I have about 300 posts (*mostly in F7*) and I didn't really touch on the Forums up till May this year cuz I'm mainly active on my regional RMB.
