Agreed on that. I'm liking KoЯn's newer songs too, such as this one.

That's the only album I've heard fully. I have to admit I enjoy the mix of Dubstep and metal, but still not really something I'd listen to often.

Overall not really a big Korn fan, though I think one of their earlier albums is supposed to be decent.

I have lots of music I listen to rarely or once in a while, but not regularly. It doesn't mean I dislike it or don't enjoy it, just that it's not regular listening material for me.
