"Hello, peeps and cheeps of NS!"

It's **New Temecula** here! The famous F7 ostrich-obsessed idiot who makes mediocre art and overdecorated posts!

Do you like my new, modernized signature? Of course you do, it has a cool **gradient** and has cyrillic characters for an undisclosed reason!

NS stats were Altatemese sympethizers from the Altatem Attempt; they were stripped of their rights and thrown in prison!

TL;DR 'we live in a society'-type international nihilist anarchist terrorist group evolved from a street gang in London that embraces violence, detests conformity and the law, and pride themselves out of committing crimes, getting into mischief and acting out their most depraved and extravagant desires in order to bring about the downfall of society... just for a bit of fun.
