Alice Cooper - Department of Youth

Not one of my favorite songs (though I certainly like it well enough) I tend to let iTunes play what it wants.

"The sovereign represents the state; he and his people form but one body, which can only be happy as far as united by concord. The prince is to a nation he governs, what a head is to a man; it is his duty to see, think and act for the whole community, that he may procure it every advantage of which it is capable."-Friedrich der Große
