It's unfortunate that Breaking Bad is ending soon.

Well, all shows have to end at some point, even if it's just until the next season. Or forever. Because a shows quality gets worse and then it's not as good to let it go on. Like Supernatural seems to be on a steady decline, at least from what I've seen. BUT, I haven't

Yeah, listen to that too from time to time, amongst other songs. So these days, It's often Nightwish, Tarja, Porcupine Tree, Epica, After Forever, and Eluveitie that I listen to.

My sister listens to Epica, and like 1 Nightwish song.

Ah, I got those two songs from Hanna on my phone, and I listen from them from time to time. Also got most of the other Chemical Brothers songs, as well as those of the Prodigy.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Aphex Twin - We Are The Music Makers

intended replacement nation for United State of America
(original the character donut steel)

Who is in control of those in control?

Why does Ben Lee (who I assume is the linoleum faced 'wipe-clean-look' profile in the bottom right-hand corner) look like Rene Auberjonois? Why would Odo be hanging around a rubbish looking holo-world full of quidditch goals that vaguely resembles rejected Final Fantasy 13 concept art? And what happened in order for him to want to breath tornados? And how?!... It would take a vaster intellect than mine in order to answer those questions.
