If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

Social Democratic Party or Justice Party. I'd probably vote for the Green Party if they dropped the Anarcho-Primitivist and Anti-Globalist Ideologies.

Luxemburg and Bookchin did nothing wrong.

I've been on this site for 2 years. I don't know if this is an accomplishment or just sad.
