Not a crime.

depends on the victim's national test scores:

- if they were high: life in prison.
- if they were low: 5-8 years in prison, mandated psychotherapy, and community service.

Death penalty because Senterus State Officials are unbribe-able having a 100% corrupt free record, so therefore the above crime committed could have occurred only if the person was forcefully coerced or had his life under risk - both of which are taken extremely seriously in our court.
