The Immortal Pristine Revolutionary State of Ukraine

SUMMARY: An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

What do we have to offer? A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.

FOR EVERY BAD REPLY, A POLITICAL OPPONENT WILL BE SENT TO CHERNOBYL. 13 sent (don't get offended if you get chernobyl'd 'tis just a joke)

Yeah, maybe.

**Better to rule in Hell than serve in Heaven**

After a terrible discovery beneath the Arctic ice sheet, Earth is overrun by a neverending horde of the infernal scourge. Humanity is absorbed into the hellish banner of pandæmonium, mutilated into cybernetic masses of muscles, and pushed into immortal sin and degeneracy. Not yet quenched with the transfiguration of Earth, Satan sets his sight on the rest of God's creations.

There's not much information to go off of, but my answer's a "maybe".

#### The Formosan Republic

[General Overview](#) | [National Anthem](#) | [Presidents \(WIP\)](#) | [Businesses \(WIP\)](#) | [Notable Citizens \(WIP\)](#)

This nation is currently known ICly as the Formosan Republic - an alternate history's Taiwan sprinkled with some fictional works to better fit my region's canon.

Any information from the Old Canon is no longer used (including embassies) unless implemented into the New Canon's factbooks.
