"We won't be taxing, bureaucratic hypocrites forever!"

We're currently fighting a just and not at all drawn-out war in the Senora Wasteland against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

We all have said power ranger 20 times so Imma say it. Given the small size of flags on the forum, if you kinda squint the arm looks a bit like the pink ranger is doing a Roman salute. I wonder what they did between 1939 and 1945. 🤔

I think of a Alberta that decides to secede from Canada and utilizes a flag of western succession only to realize the other western provinces didn't join them and the US won't let them in the union, resulting in horrific economic catastrophe for the fledging state
