Shining - *Paint The Sky Black*

CVT Temp wrote:

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Bob Dylan - Mr. Tambourine Man
From *Bringing It All Back Home* (1965)

*And take me disappearing through the smoke rings of my mind
Down the foggy ruins of time
Far past the frozen leaves
The haunted frightened trees
Out to the windy bench
Far from the twisted reach of crazy sorrow
Yes, to dance beneath the diamond sky
With one hand waving free
Silhouetted by the sea
Circled by the circus sands
With all memory of fate
Driven deep beneath the waves
Let me forget about today until tomorrow*

*Hey, Mr. Tambourine man, play a song for me
I'm not sleepy and there is no place I'm going to
Hey, Mr. Tambourine man, play a song for me
In the jingle jangle morning I'll come following you*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to

change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

5 Seconds of Summer - Jet Black Heart
From the upcoming *Sounds Good Feels Good* (2015)

*Everybody's got their demons
Even wide awake or dreaming
I'm the one who ends up leaving
Make it okay
See a war I wanna fight it
See a match I wanna strike it
Every fire I've ignited
Fade into grey
But now that I'm broken
Now that you know it
Caught up in a moment
Can you see inside?*

*Cause I've got a jet black heart
And there's a hurricane underneath it
Trying to keep us apart
I write with a poison pen
But these chemicals moving between us
Are the reason to start again*

John Lee Hooker - 'Boogie Chillen'
Single (1948)

Well, my mama, she didn't 'low me just to stay out all night long, oh Lord

*Well, my mama didn't 'low me just to stay out all night long
I didn't care what she didn't 'low--I would boogie-woogie anyhow*

When I first came to town, people, I was walkin' down Hastings Street

Everybody was talkin' about the Henry Swing Club

I decided I drop in there that night

When I got there, I say, "Yes, people"

They was really havin' a ball

Yes, I know

Boogie Chillen'

One night I was layin' down

I heard mama and papa talkin'

I heard papa tell mama let that boy boogie-woogie

*It's in him and it got to come out
And I felt so good
Went on boogiein' just the same*

Simple Plan - Save You
From *Simple Plan* (2008)

*Take a breath, I pull myself together
Just another step until I reach the door
You'll never know the way it tears me up inside to see you
I wish that I could tell you something to take it all away*

*Sometimes I wish I could save you
And there's so many things that I want you to know
I won't give up till it's over
If it takes you forever I want you to know*

*When I hear your voice it's drowning in whispers
It's just skin and bones, it's nothing left to take
And no matter what I do I can't make you feel better
If I only I could find the answer to help me understand*

*Sometimes I wish I could save you
And there's so many things that I want you to know
I won't give up till it's over
If it takes you forever I want you to know*

The Beatles - Revolution
Single (1968)

*You say you want a revolution
Well, you know
We all want to change the world
You tell me that it's evolution
Well, you know*

We all want to change the world

*But when you talk about destruction
Don't you know that you can count me out*

*Don't you know it's gonna be all right?
All right, all right*

*You say you got a real solution
Well, you know
We'd all love to see the plan*

*You ask me for a contribution
Well, you know
We're all doing what we can*

*But if you want money
For people with minds that hate
All I can tell is brother you have to wait*

*Don't you know it's gonna be all right?
All right, all right*

B.B. King - How Blue Can You Get?
From *Live at the Regal* (1965)

*I've been down hearted, baby
Ever since the day we met
I said, I've been down hearted, baby
Ever since the day we met
You know our love is nothing but the blues
Baby, how blue can you get?*

*You're evil when I'm with you, baby
And you are jealous when we're apart
I said, you're evil, you're so evil when I'm with you, baby
And you are jealous when we're apart
How blue can you get, baby
The answer is right here in my heart*

Power Metal from the "Any Means Necessary" EP (2009)

I used to think this band was da shit when I was first getting into Metal, but times and opinions have changed since then. I still certainly enjoy a lot of their songs, but they just seem a little generic and on top of that Joacim Cans' vocals pale in comparison to most other's in the genre.

Listen to Helloween, the German answer to Iron Maiden, instead. Hammerfall stole pretty much their sound and made a career out of it.

Shining - *Walk Away*

It might be worth considering, seeing as I have never really gave Helloween a chance. I am already familiar with both Hansen and Kiske's vocals, but as for their current vocalist I have never heard them before.

Necrophobic - "*Nailing the Holy One*"

From the album "*Darkside*" (1997)

Adele - Someone like You
From 21 (2011)

*I heard that you're settled down
That you found a girl and you're married now
I heard that your dreams came true
Guess she gave you things I didn't give to you*

*Old friend, why are you so shy?
Ain't like you to hold back or hide from the light*

*I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face and that you'd be reminded
That for me, it isn't over*

*Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love, but sometimes it hurts instead
Sometimes it lasts in love, but sometimes it hurts instead*

Frank Sinatra - Autumn in New York
From *Come Fly with Me* (1958)

*Autumn in New York
Why does it seem so inviting?
Autumn in New York
It spells the thrill of first-knighting*

*Glittering crowds and shimmering clouds
In canyons of steel
They're making me feel
I'm home*

*It's autumn in New York
That brings the promise of new love
Autumn in New York
Is often mingled with pain*

*Dreamers with empty hands
May sigh for exotic lands
It's autumn in New York
It's good to live it again*

*Lovers that bless the dark
On benches in Central Park
It's autumn in New York
It's good to live it again*

Sepultura - Bullet the Blue Sky
From *Revolusongs* (2003)

*In the howlin' wind
Comes a stingin' rain
See it drivin' nails
Into the souls on the tree of pain*

*From the firefly
A red orange glow
See the face of fear
Runnin' scared in the valley below*

*Bullet the blue sky
Bullet the blue sky
Bullet the blue
Bullet the blue*

*In the locust wind
Comes a rattle and hum
Jacob wrestled the angel
And the angel was overcome*

*You plant a demon seed
You raise a flower of fire
We see them burnin' crosses
See the flames, higher and higher*

*Woh, woh, bullet the blue sky
Bullet the blue sky
Bullet the blue
Bullet the blue*

Phil Collins - I Wish It Would Rain Down
From ...But Seriously (1989)

*You know I never meant to see you again
But I only passed by as a friend, yeah
All this time I stayed out of sight
I started wondering why*

*Now I, I wish it would rain down, down on me
Ooh yes I wish it would rain, rain down on me now
Ooh yes I wish it would rain, down on me
Ooh yes I wish it would rain on me*

*You said you didn't need me in your life
Oh I guess you were right, yeah
Ooh I never meant to cause you no pain
But it looks like I did it again*

*Now I, now I know I wish it would rain down, down on me
Ooh yes I wish it would rain, rain down on me now
Ooh girl I wish it would rain, down on me
Ooh yes I wish it would rain on me*

Taylor Swift - Mean
From *Speak Now* (2010)

*You, with your words like knives
And swords and weapons that you use against me
You, have knocked me off my feet again,
Got me feeling like a nothing
You, with your voice like nails
On a chalk board, calling me out when I'm wounded
You, picking on the weaker man*

*You can take me down
With just one single blow
But you don't know what you don't know*

*Someday I'll be living in a big old city
And all you're ever gonna be is mean
Someday I'll be big enough so you can't hit me
And all you're ever gonna be is mean
Why you gotta be so mean?*

Ashes of Ares - On Warrior's Wings

*The Devil came and took his life
But his soul remained
Waiting on St. Michael's hand
So he could lead the way
The archangel said, come with me, my brother*

*And with God's touch he granted him
Wings of a warrior*

*I know my brother isn't gone...
I know he isn't gone
And still his spirit carries on...
It carries on
And by his light he found a way....
He found a way
He battles evil still today...
On the wing's of a warrior*
