I think they've been moderately well known for a while, but they've certainly gained the spotlight in the last few days, particularly due to their embassy program.

KN News: War on the horizon as Qveiti military leaders refuse to withdraw naval vessels from Greek waters despite Turkish demands and statements that it is disrupting peace. This follows a request by Greece for the KNAN to station a carrier group in the Aegean to assist Greek Air Force in patrolling it's air space. NATO has yet to comment but urges restraint by both Greece, Kaliitnuunati and Turkey.

Pretty sure they know. They're just saying that they don't know who you are.

I've seen them plenty of times before.

Very well known, I recognize the difference in their flag from Selanese, normally I wouldn't bother remembering differences in flags but both nations are very recognizable.
