This bands actually surpassing my expectations of them. Barriers was good and I really like the song for the singing, but overall it was a fairly simple song. None of these other songs sound like that song at all, and are pretty awesome.

Whoever labeled these guys as Alternative Rock seemed kind of lazy....I feel like there is much more to this album then simply "Alternative Rock"

Time to move onto a half hour EP (Longer then the 2 Health LP's I went through), that I don't know if I'll finish tonight or not.

[Aereogramme-Inkwell](#)

So I sucked at music exploration all day and yesterday but tonight I'm doing good.

Aereogramme are definitely my favorite band of the night. Anoice was nice, pretty music, Toundra was decent post-metal/post-rock but Jesu and Russian Circles beat them any day, and Aereogramme is just awesome. I wish more of them were on Spotify.
