Maybe they just got tired and have nowhere to go on the site since they feel that they have completed their lore or whatever?

It doesn't work like that. I've seen a few NS Summers in my time here, and most older summerposters were younger summerposters.

Munk, not everyone gives up on writing and turns to inane, unfunny Northumbrian shitposting when they're bored with the site. Most people just have the common sense to CTE.

"Older" implies that they've been around for a while. Logically, it therefore follows that they have a degree of commitment to NS roleplay high enough to be considered effortposters. Why would someone who enjoys RP and the NS community deliberately lower their standards and start pumping out sophomoric crap? The logic doesn't compute, since you're essentially arguing that two and two make three.

Eh veteranhood isn't age-based but time on NS-based, but regardless you're still a pogchamp on this site.

Anyways back to cliches; NSG puppets, like a certain user of a well known nation creates a puppet for the sole purpose of using NSG.
