Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

Best Disturbed song EVER!

If life gives you lemons, make lemonade. Then use the profits to buy an assault rifle. See if life makes the same mistake twice.

"If you go to the city of Washington... almost all of them claim that they have risen from the ranks to places of eminence and distinction. I am very glad I cannot make that claim for myself. I would be ashamed to admit that I had risen from the ranks. When I rise it will be with the ranks, and not from them..."
