Monkey 2242 was killed by the ghost of Monkey 6666, who was barred from the afterlife for killing all of the monkeys that got skipped over, including herself.

The American Empire is a socially progressive absolute monarchy run by the heirs of Emperor Norton. It started off at MT but has rapidly advanced to PMT through interdimensional travel. All NSstats are used, except for tax rate and population. Factbooks are currently under reconstruction.

Monkey 2241 listened to [Reason](#).

Jebslund is a nation of kerbals ruled by Emperor Jebediah Kerman. We reject tyranny, believing that rights should be protected, though we also believe said rights end where the rights of others begin. Shockingly, we \*do\* use NS stats, with the exception of lifespan.

Demonyms

Capitalism, Socialism, and Communism are ECONOMIC SYSTEMS. Stop conflating them with political systems.

Monkey 2238 turned into a walrus. And then happened to be turned into a walrus while he was a short distance away from a pod of orcas. Bloodshed ensued.
