What the fucking hell did you just fucking say about me, you little bastard? I'll have you know I graduated top of my entire school in the Army, and I've been involved in numerous night ops on several Anaia states, and I have over 561 confirmed kills, and more unconfirmed. I am trained in stealth ops with and by the best and i am the most efficient sniper in the ATAC. You are nothing to me but just another side operation. I will wipe you out of this world with precision no man or being in the multiverse has seen in ages, mark my god fucking words. You think you can get away with talking shit about my country on the forums? Think again, motherfucker. As we speak I am contacting my special op agents across the CDD and your IP address is being traced right now so you better prepare for whatever the fuck is coming your way, asshole. The thing that is coming is what wipes out the pathetic little thing you call your miserable existence. You're gonna rot in hell, kid. I can be anywhere, anytime, and I can kill you in over a thousand ways, and that's just with my own eyes. Not only am I extensively trained in stealth ops, but I have access to the entire arsenal of the Athearan Armed Corps and I will use it to it's entirety to wipe your miserable little existence off the fucking galaxy, you little piece of shit. If only you could have known what unholy retribution your little, small, and puny comment was about to bring upon yourself, maybe you would have held your god fucking tongue shut. But you couldn't do it, you didn't even try, and now you're going to pay the damn lovely price, you little piece of shit. I will hail and rain fury all over you and you will lose your fucking mind to your death. You're dead, you little bastard.

A federal left-wing nationalist country situated in a fictional World in the Extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

In process of retconning, especially regarding geography and demographics.

We're no strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any other guy

I just wanna tell you how I'm feeling
Gotta make you understand

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

We've known each other for so long
Your heart's been aching, but
You're too shy to say it
Inside, we both know what's been going on
We know the game and we're gonna play it

And if you ask me how I'm feeling
Don't tell me you're too blind to see

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

(Ooh, give you up)
(Ooh, give you up)
Never gonna give, never gonna give
(Give you up)
Never gonna give, never gonna give
(Give you up)

We've known each other for so long
Your heart's been aching, but
You're too shy to say it
Inside, we both know what's been going on
We know the game and we're gonna play it

I just wanna tell you how I'm feeling

Never gonna tell a lie and hurt you

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
