Man leaks important scientific secrets for the meme, and is assassinated

New man

- Snowland / the Snowish Republic -

Snowland, officially the Snowish Republic, is a country located in two entire planets. Snowland runs on socialist democracy, meaning (in this case, this doesn't necessarily mean the same thing everywhere) that there is parliamentary democracy, but all are socially progressive socialist, just different variations. Snowland contains both humans and furies.

If you have any suggestions for what I could add to my factbooks, you can DM me what the suggestion is, and I'll see if I'll use it or not. No fascist nations allowed, not even if you don't believe in your nation's ideals.
