In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.

Nationalist Democratic Republic

Official translation of our motto: For the future!  
Here is the 'principality of progress', ruled by Prince Liucijus I, who has implemented a series of reforms ever since his coronation in order to modernize the country. As he glances out of that fine palace in the capital city of Sedvariija, he wonders what's next, as time keeps accelerating forward.

Roman-style republic

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution.
