Authoritarian Italian based nations are cliché, Colonial Imperialist nations are cliché, Welfare Monarchies are cliché, but how about all three in one! Still Cliché? Well that's what this nation is.

**From now on please refer to this nation as Aostania because I have changed the lore to a name that is more fitting and less convoluted**

2/10 - if five nations can co-operate, it's usually a sign of something good.

I felt like going on a power trip, and thought to myself "Hey Ell, what nation/faction would be possibly the most overpowered one you could create?" And somewhere in my head the name "The Combine" screamed. So this is exactly wat I'm doing! Pray that the Union doesn't notice you, because it probably won't.
