Most of the time I think covers are crap, but I like both [this](#) and [this](#) version of the My Declaration song, and I heard both in a movie (Inkheart and Trust). Same deal with [this](#) and [this](#) version of the Teardrop song, AND [this](#) and [this](#) version of Into Dust.

What I laughed at more then the stupid Rick Astley Meme is when on the set of Firefly, Nathan Fillian (Malcolm Reynolds) seemed to break randomly into a Rick Astley dance. It was like the best part of the bloopers.

Short response: The actor is a dork.

That's at least the impression I got out of him changing the dramatic scene into a very unserious scene.

And I was wrong, it was Serenity.

The whole cast of Firefly/Serenity seem to be dorks, and got along
soo damn well. Which is why the chemistry of the characters on-
screen is so damn good. And another reason why it's saddening
Firefly only got one season, because clearly the cast would of loved
to work together again.
