Their government is based off, or is similar to, the US. They have term limits; however, they can serve 4 4-year terms, instead of 4 2-year terms.

General-Secretary*, Song Liyuan is our current "Paramount Leader". Either way though, it's still correct in terms of a socialist market economy //skip//

Their nation doesn't really have a government, or a united one at that. The reason for this is because they fear they will be similar to their previous government, the Provincial Government, which lead them into a bloody war. So most of the land is independently run.
