Listening to the same song as Cad? That's never happened before

Nemo - Nightwish

Genre: Symphonic Metal

Album: Once

Except I'm listening to an actual album

I watched anime before visiting this thread. As I was playing a self-made drinking game for the said anime I'm pretty fucking drunk. Decided to stop it in order to continue with my life, not to die of alcohol poisoning. I saw the song you were listening to and decided to listen to it as well since I loved that song when it was released back in 2004. I had switched shuffle off as I was listening to a full-album before that song, so Nemo started to play for me as well. I changed it to Kinslayer instead

Bathory - Great Hall Awaits a Fallen Brother

One of my favorite Bathory songs. Also, this would be me if I kept playing that drinking game any further.

Black Sabbath - No Stranger to Love

This is what you get when you mix doom and glam metal.

Possessed - Death Metal

I'm too lazy to look through Google search results ☐ But I did see it on the official NW forum itself, a Native American was complaining about it and it turned out that it was proven true, but the band (unsure who exactly but it was likely Tuomas) requested that people stop talking about it and something about it being unfortunate but I don't quite remember all of it and the admins had to get involved.

The Siren - Nightwish

Genre: Symphonic Metal

Album: Once

Love this song

Impaled Nazarene - Into the Eye of the Storm

*Yet I fall for it every time
I bow my head to king alcohol
I think it keeps me totally sane
Yet I know it drives me insane
So I keep on walking this thin line
This path to my own demise*

This is so me right now ☐

Tankard - New Liver Please

*Oh God! What is wrong with me?
I got the shivers but not two livers
My choice was booze
No wonder that I'm slowly dying*

*I've lost it! No reason!
I'm plagued with a disease
My burden! So help me!
Real quick, new liver please!!

Hah, not happening today. I'll just blast some music before going to sleep. ☐

Rytmihäiriö - Olen Kännissä

Translates to "Arrhythmia - I'm Drunk"

Of course the songs will be inspired by alcohol ☐

Then I suggest Korpiklaani, with songs such as Wooden Pints, Beer Beer, or Vodka

Good choice ☐

Even though I love Korpiklaani, I prefer Rytmihäiriö since thrash > folk.

Rytmihäiriö - Viinahampaat

Translates to "Arrhythmia - Boozeteeth".

I think it's more thrash < folk but whatever floats your boat ☐

Kuolema Tekee Taiteilijan - Nightwish

Album: Once

Another good song

Hell, thrash was the first metal subgenre I fell in love with and it's still one of my "Holy Trinity of Metal" along with doom and black

Rytmihäiriö - Lupa Tappaa Humalassa

"Licence to Kill When Drunk", this was the first Rytmihäiriö song I heard back in 2008.

"Holy" and "Black Metal" in the same sentence.

I never thought I'd see the day.
