Dunno if you think I'm stalking you, but very well known in NSG, moderately well known in F7, and they seem to be gaining some fame in P2TM. Definitely well known for me, though.

I never saw them, but it is probably because I live under a rock, as something tells me they are actually well-known.

I haven't seen them that much as of recent; I think they post semi-rarely and not as much in F7. Maybe moderately well-known if you've been here for a while.

I've never seen any of their posts before, but they've been here since August, so they might be well-known to a small amount of people.

I see them relatively often in Forum 7. Just like us, they're a relatively new nation but are definitely making a small name for themselves. So in F7, somewhat known.

Extremely, at least very, well known in F7. Also seem to be quite active in II and NSG, and R/D gameplay on the site.
