AAN:

A bogeyman so silent and so friendly-looking, yet responsible for more death and destruction than everything else combined on Terra alone. The bubonic plague, World War III, and the Cosmician invasion, these are nothing compared to THIS dangerous, shadowy object.

And this entity, that jeopardizes the security of everyone, is called...

NS STATS.

AN:

After the storytelling, the children are sent off to bed and the older parents tell the stories that the children are too young to hear, and the laughter can be heard long into the night as further wine and the alcoholic eggnog is broken out.

"military minds worry that 'the blue screen of death' on brand new operating systems may be a literal description, and the government loves seeing the little people fight. "

This it's is do be an signature. That's is nice. I'm am not do has enough to justify putting anything special in ye olde signature, so this will do are have to be sufficient.
