Tool-Vicarious

Listening to a Tool album I suppose?

YYZ-Rush...

No, there was a 5 year usual hiatus between the albums of Schism and Vicarious.

I was more thinking of like a greatest hits of Tool album...

Is there one? I wants it!

I don't know...I've never listened to Tool (Though I will some time...I hear they're good...)

Weird how I got into them. Saw a music vid with Satanic symbols in it by them. The whole thing freaked the shit outta me, but was really interesting, so I experimented with their music, and got hooked.
