2/10. They seem to be ecologically conscious folks.

I'd say not evil at all 3/10 at most, Very traditional, color scheme says a nice place to live though I'd say a traditionalist conservative style of imperialism so maybe suppression of decent but not that bad

5/10. The color scheme says it's peaceful, but it has a white circle with a black symbol in the center...

Given its utilisation of black-red colouration and communist/socialist symbolism, I'd rate it 0.9 on the Evilness Scale.

Black is ominous, but not necessarily evil:

5/10

(By the way: very good design on the flag!)

Blue is very ominous, but the yellow star lightens the tone.

7.5/10; the black certainly looks ominous, but I'd expect the nation to be more of a Central European newly-industrialized monarchy in the 19th century.
