Man goes to Brad McGuire's camp in the woods and is then given two seconds to explain what is he doing on Brad's property, before the latter proceeds to give Man advice after he apologizes for interfering in Brad's 'me time'.

Man panics when he cannot find a plunger in the bathroom.

He was a dark and stormy knight, and this excited Gwendolyn, but admittedly not as much as last night when he was Antonio Banderas in drag, or the night before that when he was a French Legionnaire who blindfolded her and fed her pommes frites from his kepi.
