Maybe something about a wild animal on the loose killing a serial killer. Trying to stalk and prey on people, then getting mauled by a tiger. Then said tiger gets a medal or something and they got the celebrity status in a zoo.

(Apologies for the poor wording of the quote)
The bet was whether or not she could get him to say two words, because "Silent Cal" almost never spoke. She told him about the bet and he said "You Win", supposedly that was the only thing he said at the party that night.
