Your toes, hand em over.

"We won't be taxing, bureaucratic hypocrites forever!"

We're currently fighting a just and not at all drawn-out war in the Senora Wasteland against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.

Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.

Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

Frank Zappa has a large potato chip. Like, the largest fucking potato chip on this planet. I bet you my fucking fibula that the entire state of Idaho was involved in the making of this big ass potato chip. It's the size of the fucking Earth, but better. This fucking potato chip can feed a few of your friends. Like, for years before most Americans tried out a potato, Frank Zappa is only trying his bit at pinprankle. As many of you knew he just put "The Great Potato Chips of all Ages in My Sperm" out among countless potato chocolates.
