This nation exists in the same timeline as [Revolucionario Cuba](#) and will use the same style of factbook writing.
I use NS stats in all regards except for population size and GDP.

*Disclaimer: This nation only uses some of the policies and stats stated. They will be stated if used, but are otherwise to be ignored.

No, this nation and its flag is **NOT** based off Minecraft, Terraria, or anything of the sort. I made the flag using an app on my phone (...and ran out of space). Please stop making relations to such, as it has become highly irritating to be compared to such. The art is of my own creation, and of my own ideas, not from a pre-existing game. Thank you.

I believe that's one of the fanmade Touhou Series animes. I'll pm with which one exactly, since I'm pulling a blank. Otherwise, if you just mean the character, she's from a game series, not an anime.

whaT aNiMe Is ThAt?

They have modern streets?

Everyone always uses the black market factbook...

Before ya'll talk about the horses:

<https://www.nationstates.net/page=dispatch/id=1215662>

Important Cultural ethics: [https://www.nationstates.net/nation=the ... id=1199646](https://www.nationstates.net/nation=the...id=1199646)

A theme that kinda fits the Empire's aesthetic:

<https://www.youtube.com/watch?v=ImPkpSXZZmM>

IC Year: 3A 2

Tech: FTT

"LoL yOuR nS iSn'T pOsSiBIE!" Really? I had no idea!

I'm not the greatest at getting down all relevant information in a factbook so if anything needs clarifying or explaining just ask me in TG's.
