Elton John - American Triangle
From *Songs from the West Coast* (2001)

*Seen him playing in his backyard
Young boy just starting out
So much history in this landscape
So much confusion, so much doubt*

*Been there drinking on that front porch
Angry kids, mean and dumb
Looks like a painting, that blue skyline
God hates facts where we come from*

*'Western skies' don't make it right
'Home of the brave' don't make no sense
I've seen a scarecrow wrapped in wire
Left to die on a high ridge fence*

*It's a cold, cold wind
It's a cold, cold wind
It's a cold wind blowing, Wyoming*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a

declaration. It's a dare. Impossible is potential. Impossible is temporary.
Impossible is nothing.

U2 - Womanfish

[Live performance](#)

*Hangman hang, hangman hang for me
Hangman hang, hang from your tree
Hangman, Hangman
Hangman hang, hangman hang for me*

*One horse town, one wind coming down
One horse town, the breeze will come and blow us down
One thin man, help me if you can
One thin man, the breeze will come and blow us down*

*Love is all you're needing
Love is all

Love is all you're needing
Love is all*

*Hangman hang, Hangman hang for me

A song that they never released on any commercial recording, only performed live once (when the band members were all supposedly drunk to some extent), regarded in some circles as the worst song they've ever done.

I believe it's from around 1986. So that's around the time they were making The Joshua Tree.

U2 - The Wanderer
From *Zooropa* (1993)

*I went out walking
Through streets paved with gold
Lifted some stones
Saw the skin and bones
Of a city without a soul
I went out walking
Under an atomic sky
Where the ground won't turn
And the rain it burns
Like the tears when I said goodbye*

*Yeah I went with nothing
Nothing but the thought of you
I went wandering*

*I went drifting
Through the capitals of tin
Where men can't walk
Or freely talk
And sons turn their fathers in*

*I stopped outside a church house
Where the citizens like to sit
They say they want the kingdom
But they don't want God in it*

*I went out riding
Down that old eight lane
I passed by a thousand signs
Looking for my own name*

*I went with nothing
But the thought you'd be there too
Looking for you*

Featuring Johnny Cash on lead vocals.

"Weird Al" Yankovic - Amish Paradise
From *Bad Hair Day* (1996)

*As I walk through the valley where I harvest my grain
I take a look at my wife and realize she's very plain
But that's just perfect for an Amish like me
You know I shun fancy things like electricity
At 4:30 in the morning I'm milkin' cows
Jebediah feeds the chickens and Jacob plows fool
And I've been milkin' and plowin' so long that
Even Ezekiel thinks that my mind is gone
I'm a man of the land, I'm into discipline
Got a Bible in my hand and a beard on my chin
But if I finish all of my chores and you finish thine
Then tonight we're gonna party like it's 1699*

*We been spending most our lives
Living in an Amish paradise
I've churned butter once or twice
Living in an Amish paradise
It's hard work and sacrifice
Living in an Amish paradise
We sell quilts at a discount price
Living in an Amish paradise*

Eminem - Rap God
From The Marshall Mathers LP 2 (2013)

*Uh, sama lamaa дума lamaa you assuming I'm a human
What I gotta do to get it through to you I'm superhuman
Innovative and I'm made of rubber
So that anything you saying ricocheting off of me and it'll glue to you
I'm never stating, more than never demonstrating
How to give a motherfuckin' audience a feeling like it's levitating
Never fading, and I know that the haters are forever waiting
For the day that they can say I fell off, they'd be celebrating*

Cause I know the way to get 'em motivated
I make elevating music, you make elevator music

Johnny Cash - Man in Black
From *Man in Black* (1971)

*Well, you wonder why I always dress in black,
Why you never see bright colors on my back,
And why does my appearance seem to have a somber tone.
Well, there's a reason for the things that I have on.*

*I wear the black for the poor and the beaten down,
Livin' in the hopeless, hungry side of town,
I wear it for the prisoner who has long paid for his crime,
But is there because he's a victim of the times.*

*I wear the black for those who never read,
Or listened to the words that Jesus said,
About the road to happiness through love and charity,
Why, you'd think He's talking straight to you and me.*

Plowin through the ragid skies and up a cloudy draw*

*You only see what your eyes want to see
How can life be what you want it to be
You're frozen
When your heart's not open*

*You're so consumed with how much you get
You waste your time with hate and regret
You're broken

Mmmmmm, we'd never be apart
