Monkey 1872 shot himself because he just witnessed one post kill 4 monkeys, which is surely against the rules.

Monkey 1872 didn't want to be killed by Monkey 1871 so Monkey 1872 change it's name to Monke 1872,

Monke 1872 died of radiation poisoning

What? Bananas have radiation in them!

Monkey 1871 was going to tell the AN that it goes from 10,000 to 1 not 1 to 10,000 but along the way couldn't shut his mouth and god knows where he went

Monkey 1865 went to see a play on the evening of April 14, 1865. He was shot by some wacky theater boi who was salty about losing the civil war. The wacky boi then jumped from the platform onto the stage, broke his leg, shouted the motto of Virginia, and hobbled away, only to be caught some days later. As for Monkey 1865, well, he died.

Monkey 1860 became the leader of a nation, he then proceeded to commit mass genocides. People came looking for him, so monkey jumped off a cliff, but survived, so he jumped off a cliff again, but into water. He survived, and turned into mermaid man, and went to bikini bottom, he than harassed SpongeBob, and robbed him at gun point for his toe nails. He then kidnapped Patrick, and proceeded to cook Patrick over a fire in the Krusty Crab, the Soviets then FBI open up'd the door, and mauled him in the head with AK-47s.

Monkey 1858 asked who Joe is

- Snowland / the Snowish Republic -

Snowland, officially the Snowish Republic, is a country located in Northern Europe. Snowland runs on democratic socialism. I'm not sure what I'll do with the Snowish Republic yet. Snowland is one of the nations of the world where there are both humans and anthropomorphic animals, and the nation is considered to be the best in the world when it comes to treatment of anthropomorphic animals.
