Your flag gives off an undying sense of purity... I'm going to have to say 0/10. There is nothing evil about your flag.

From the eagle & pattern on your flag, I can sense the Imperialist side in you.

6/10 - A strong likelihood of evil, but with a small capacity for good.

7/10 A nation that probably thinks it's not evil but actually is.

I use my NationStates stats, because a population of billions/trillions and an economy of hundreds of trillions is totally viable, trust me.
But seriously, aside from the population and GDP, just assume that my NS stats are roughly accurate.
