Monkey 1285's death is still a mystery. The direct cause of death was a bullet to the brain and the revolver that fired the shot was clenched in his right hand but there were no powder burns.

Don't assume we're Communists

Monkey 1284 thought the infamous Monkey 1 was behind his friend 1285's death, so he tried to kill Monkey 1 himself. However, in the heat of the moment and with all of his pent up emotion, during their shootout 1284 had the aim of an intoxicated Stormtrooper, and missed Monkey 1 entirely while ending up shot.

monkey 1283 was present at the duel, and laughed so hard at 1284's failure. Monkey 1 thought he was laughing at him and shot monkey 1283

Monkey 1281 done died thanks to a combination of Cataracts and a sports car.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
