Good. I liked what I heard before (My dad discovered them first), so glad to see it is consistent.

I have to say, I didn't take this band seriously, when I first heard of it, but it's grown on me.

Good album. Need to listen to their others.

Edit: I guess they only have 1 other album so far. The project is a 3 part series.

[Sigur Ros and Steindor Andersen-A Ferd Til Breidafjardar](#)

Steindor Andersen has an awesome voice. I'm always amazed how well Jonsi's falsetto and Steindor's deep vocals work together. Of course Jonsi isn't nearly as high as he can be in this song but still.

Edit: oh, and this is live
