The sound of vehicles on the road and me typing on my keyboard.

"Our progress in degeneracy appears to me to be pretty rapid. As a nation, we began by declaring that "*all men are created equal*." We now practically read it "all men are created equal, *except negroes*" When the Know-Nothings get control, it will read "all men are created equal, except negroes, and *foreigners, and Catholics*." When it comes to this I should prefer emigrating to some country where they make no pretence of loving liberty -- to Russia, for instance, where despotism can be taken pure, and without the base alloy of hypocrisy." - President Abraham Lincoln.
