Mazurek Dąbrowskiego - Józef Wybicki

Why do you think the flag of the embassy (which I am posting as to let people see the flag) has a map similar to Poland's?

[If Jah by Tony Rebel](#). This song has helped me get through a lot of rough days.

[Lyrics](#)

"If Jah is standing by my side, then why should I be afraid, of the pestilence that cawleth by night?"

Linkin Park - Easier To Run

*Do you hear that? It's the sound of battles fought and lives lost.  
It once pained me to know that I am the cause of such despair.  
But now their cries give me strength. Beauty is my power.  
I will give this wretched world the Queen it deserves..*

Your Emotions, Dead Kennedys.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
