5/5

Indeed 5/5

One of the best intros out there.

[Satanic Warmaster - The Chant of the Barbarian Wolves](#)

The intro is magical.

[Ludacris - Get Back](#)

This one gets a 5/5.

5/5 Russkie symphonic melodeath. It is perfection.

My Fivers playlist is turning out well. Most of the 3/5s and 4/5s in my main playlist lean towards useless if the goal is a quality list. I'll probably trim the lowest of the 5/5s from the new playlist once complete to narrow it down.

[Semargl - Discolove](#)

Definitely a 5/5 in my book. This seems to be a song people either really like, or they look down upon it because of the video which was intentionally ridiculous.
