Yes. Seems like a nice, democratic country with civil and political freedoms, strong economy and low crime rates.

I would have lived in Kyria until, as a self-appointed successor to the Roman Empire, started to consider us Rasenna, the Etruscan people, as *barbarians*! We conquered Rome when it was seven villages, we built the temples and aqueducts, we made it great. We taught Rome everything we knew, from forging our swords to our architecture to our gods. We are not barbarians, and I will never live in Kyria!

(all of this is actually true lol, the Etruscans did do these. 😊)

Yes, but I wonder if they conquered Veliky Novgorod or something and made it their capital.

One of the few nation's with a frightening economy, without a single car. One of the most developed nations, but our government is corrupt as fridge. Tourist hot-spot, but the ruler Vindalbal II refuses to even put basic footwear on. Environmentalist, Nationalist, Vincaracist, Gladesville. PewDiePie is also a nasty person.
