Ujamaa seems to line up with my stances, and it seems to have a decent chance of making a difference in congress with 67 MPs. If I'm feeling particularly daring (and retarded), though, I might vote for Uhuru.

AN seems to have no parties or even factbooks, so I'll do Kydellian Halon:

The Menshevik State Party.

Of the parties in parliament, the one I'd most likely vote for is the Sozialdemokratische Partei Deutschlands (SDP), with the Grüne Partei (GP) coming in at a close second. Of the extra-parliamentary parties, in order of precedence, I'd vote for the Freie Autonome Kommunisten (FAK) and the Marxistisch-Luxemburgistische Partei Deutschlands (MLPD). I wouldn't support any of the regional parties except *maybe* the Österreichische National-Partei (ÖNP), and even then it'd depend on which faction is more prominent.
